

# my council my voice

Be a part of the solution.

Help us kick off the Year of the Girl by joining us for a **focus group** discussion about our council structure.

Volunteers and service units are vital to the execution of our mission to build girls of courage, confidence, and character, who make the world a better place... As we **move forward** into a second century of Girl Scouting, we want to ensure that our structures are aligned with our goals of increased growth and effective service delivery.

We hope you will take this opportunity to be heard and to **be a part of the solution**.
