Financial Assistance Guidelines

Girl Scouts.

Financial assistance is available to all girls and adults living within the council jurisdiction and is provided to help them participate in the Girl Scout program.

Financial assistance may be granted as follows:

- ◆ For adults - national membership dues, council programs, and trainings
- ◆ For girls - national membership dues, council programs, handbooks, uniform components, national Destinations and resident camp

For girl applicants, the leader and parent should discuss the individual needs of the girl, complete the application and return it to the local service center.

Each applicant for financial assistance must complete a separate application. Troop applications will not be accepted.

Application forms are available through the Service Unit Managers, troop leaders, Girl Scout Service Centers, Girl Opportunity Guide, Volunteer Development Training Guide, and Leader's Notebook. It is suggested that copies of the form be made as needed.

Applications for financial assistance should be submitted in envelopes marked "Confidential - Assistance Request." All application information will be kept confidential by those reviewing the requests.

Financial assistance is granted according to financial need and will be consistent with money available in the financial assistance budget. Partial assistance may be granted.

Financial assistance applications should be received by the program, Destination or camp registration deadline to ensure adequate time for processing.

Applicants will be notified when financial assistance is granted.
