Service Project: Operation G.B.A.C.

We are inviting all attendees to assist in a service project. This year, we are challenging attendees to participate in *Operation G.B.A.C.* (pronounced "G'back") – Operation **Give Back At Camp**. We will be collecting items that the Program Center needs every year. All donations can help offset some costs of common items. You will find a list of suggested items on page 4. There will be a collection bin for these items at the registration desk upon check-in.

Ongoing

SWAP Time

What are SWAPs? "Special Whatchamacalits Affectionately Pinned Somewhere". They are usually homemade mini-crafts displayed on a pin back or safety pin that can be attached to a hat, shirt or jacket. They are best when they reflect our 100th Anniversary theme and identify the person who created them. Share SWAPs with your fellow volunteers during breaks throughout the day! (This activity is optional but so much fun!).

8:00 am – 8:45 am

Sign-In, Registration, and SWAP Time

Turn into the camp entrance and veer to the left at the fork in the road. Stop at the shelter (which will be on your left hand side of the road) and check in to receive further instruction for parking. Once you are parked please walk to the lodge and check in at the registration table to receive a copy of your class schedule, name tag, and any memorabilia you preordered. We look forward to meeting you and making your day an enjoyable one.
