Financial Assistance Applications

For girl applicants, the leader and parent should discuss the individual needs of the girl, complete the application and return it to the local service center.

Each applicant for financial assistance must complete a separate application. Troop applications will not be accepted.

Application forms are available online at www.girlscoutsmoheartland.org, as well as through the service team managers, troop leaders, Girl Scout service centers, the *GO! Girl Opportunity Guide*, the *Volunteer Magazine* and the Leader's Notebook/Volunteer CD. It is suggested that copies of the form be made as needed.

Applications for financial assistance should be submitted in envelopes marked "Confidential – Assistance Request." All application information will be kept confidential by those reviewing the requests.

Financial assistance applications should be received by the program, training, Girl Scout *destination* or summer camp registration deadline to ensure adequate time for processing.

If the application is not filled out completely and accurately, the financial assistance request will be denied.

Granting of Financial Assistance

Financial assistance is granted according to financial need and will be consistent with money available in the financial assistance budget. Partial assistance may be granted.

Applicants will be notified when financial assistance is granted.

Preference is given for first-time financial assistance applicants.
