

Daisy Clover Petal

Age-level: Daisy

Pillar: Life Skills

Badge Description: Daisies earn petals and leaves to make their Daisy flowers. The Clover petal is one of ten petals you can earn. You can earn four leaves too!

1. Talk about Clover's Story.

- Watch [Clover's Story](#) and talk about it with your family. Answer the following questions:
 - How did Clover use resources wisely?
 - What do you think would happen to the leftover materials if Clover didn't use her resources wisely?
 - When have you been resourceful? Can you think of other ways to be resourceful?

2. Make a collage out of old newspapers and postcards.

- A collage is an art technique that consists of pasting various materials, usually not associated with each other, on a single surface. Use materials you have around your house to create your own collage. Make it your own! You can make your collage into a flower, spell your name, or use the whole sheet to show your personality!

3. Practice being resourceful.

- Another way we can be resourceful is with our food. Offer to help your family make a recipe using leftovers so the food won't go to waste. Here are some ideas for you to look through and get inspiration from.
