

Photographer

Age-level: Ambassador

Pillar: Life Skills

Badge Description: Hone your artistic skills and find out how to use different types of cameras to present the world through your eyes.

1. Explore the power of photography.
 - Create a photography timeline. Make a timeline to show photography has changed through the years. Find ten or more photos online that show the history of photography.
2. Focus on composition—shoot five landscapes.
 - Capture a day in your life. Shoot one scene at five intervals throughout one day. If there are people in the scene, how do they fit into the landscape?
3. Focus on light—shoot five portraits or still lifes.
 - Capture the same family member in five different perspectives. Create different angles, zooms, and lights to get five different shots.
4. Focus on motion—shoot five action shots.
 - Capture the same family member in five different action shots. Running, jumping, or just everyday life!
5. Tell a story with photography.
 - Stage a photo exhibit at home with a digital slide show or put the photos on the wall!
