

# Room Makeover

**Age-level:** Senior

**Pillar:** Life Skills

**Badge Description:** Find out how to use design concepts and fix-it tactics to turn a simple space into a creative statement.

1. Gather ideas and inspiration.
  - Craft an inspiration board. Attach anything that inspires your color, texture, and design ideas onto a piece of cardboard—or digitally!
2. Paint something.
  - Find something to paint. Whether it be a piece of furniture, a wall, or an accent. Pick a color and learn the basics of painting.
3. Sew or glue something.
  - Sew or glue anything! Create curtains for windows, a table-cloth, or even a pillow cover. Create anything by sewing or gluing.
4. Redo something.
  - Repurpose, refurbish, or repair one item. Dye, tie-dye, update an old dresser, or turn a dresser into drawers. Take anything and make it new!
5. Build something.
  - Build something off found items. Create art or build something out of wood or metal.
